DETAILED ACTION

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

A. Non-initialed and/or non-dated alterations have been made to the oath or declaration. See 37 CFR 1.52(c). The declaration filed on June 21, 2001 contains non-initialed and non-dated alterations by the first inventor.

B. On page 1 of the declaration, the claimed priority to application number PCT/EP99/06800 includes an incorrect filing date for the PCT application. The correct filing date of the PCT application is September 14, 1999.

Applicants' Amendment papers filed on January 8, 2004 state that a Declaration and Power of Attorney were filed at the United States Patent and Trademark Office. However, the image file wrapper used by the Examiner does not contain the scanned images of the Declaration and Power of Attorney. The Examiner respectfully requests that a new declaration be submitted in order to correct the defects noted in the above paragraph.

Allowable Subject Matter

Claims 10 to 30 are allowed.
